# ABOUT THE INTERNATIONAL LADY LAUGHS COMEDY FESTIVAL

The International Lady Laughs Comedy Festival is Wisconsin's first comedy festival featuring women in comedy. Now in its fifth year, ILLCF has earned a reputation of excellence around the country and beyond.

Each year women flock into Madison from all over the country, Canada, and Australia to entertain Madisonians and visitors to our fair city.

The 2020 ILLCF will bring audience from all over the region with an expected attendance of 3000 over 4 days of festival activities. We will have workshops and panels discussing comedy.

Our headliner for the festival is Aida Rodriguez from "Tiffany Haddish Presents; They Ready" on Netflix and The Young Turks.
